

TUSCARORA HIGH SCHOOL INSTRUMENTAL MUSIC BOOSTERS

The Tuscarora High School Instrumental Music Boosters (THSIMB) is proud to host their first Keystone Indoor Drill Association competition at Tuscarora High School on Saturday, February 22, 2014.

The Tuscarora Indoor Invitational will include twenty-seven winter guards and indoor percussion ensembles from Virginia, West Virginia, and Maryland along with their supporters. We anticipate attendance at this event will be between 1500 and 2000 people.

You can support this award-winning ensemble by placing an advertisement in the show program. This is a unique, one-time opportunity to reach over one thousand regional spectators and performers with your message, while demonstrating your support for instrumental music programs in our schools!

Another option is the sponsorship of trophies for winning teams. Sponsor names are read as the trophy is presented. You can even have a representative of your business present the sponsored award.

The deadline for the Tuscarora Indoor Invitational Program submission and Special Award Sponsorship is February 6, 2014. We must receive your order form by the deadline in order for your advertisement to be included in the program(s) and for your sponsorship to be acknowledged on the trophy.

If you are interested in advertising in the Tuscarora Indoor Invitational programs or sponsoring a trophy, please complete the attached form and return it to a THS instrumental music student OR mail to:
