The award winning Marching Titans perform in numerous competitions, showcases, parades and concerts throughout the school year. The cost of running the program far exceeds the funds provided by the county school budget. You can be proud that the student requesting your sponsorship is hardworking, dedicated and of strong character. In order to continue with our strong tradition and excellence we need the support from members of the community.

After 13 years of wearing our old band uniforms, we are pleased to announce that the Marching Titans will be wearing a brand new uniform this marching season. We raised over \$20,000 last year towards the purchase of our new uniforms, but we needed to take out a loan to pay the rest of the \$40,000 needed. Our goal is to raise another \$20,000 this year to get this loan paid back. We thank you for your contribution in keeping Tuscarora Marching Titans as one of Maryland's finest!
